

PAPER Claim Submission Guidelines

Institutional and Professional

Failure to adhere to the following guidelines will result in processing/payment delays or claims returned unprocessed.

Basic information and guidelines for submission of PAPER claims SPECIFIC TO BC3NP & WISEWOMAN:

- ★ Claim forms must be mailed flat, without folding, in 9" x 12" or larger envelopes.
Do not fold the form.
- ★ Use only black ink.
- ★ Do not write or print on the claim, except for the Provider Signature Certification.
- ★ Handwritten claims are not acceptable.
- ★ UPPER CASE alphabetic characters are recommended.
- ★ Do not use italic, script, orator, or proportional fonts.
- ★ 12-point type is preferred.
- ★ Make sure the type is even (on the same horizontal plane) and within the boxes.
- ★ Only service line data can be on a claim line. Do not squeeze comments below the service line.
- ★ Do not send damaged claims that are torn, glued, taped, stapled, or folded. Prepare another claim.
- ★ Do not use correction fluid or correction tape, including self-correcting typewriters.
- ★ Claims must be original (red claim forms). Do not submit photocopies.

Providing attachments (Primary Insurance EOB):

- ★ Mail claim forms with attachments **flat**, with **no folding**, in 9" x 12" or larger envelope.
- ★ Do not send attachments unless the attachment is required. Any unnecessary attachments, such as statement detail or client account information, will delay processing of claims.

Mailing address for all PAPER claims:

MDCH - Claims 109
W Michigan Ave.
WSB - 5th Floor
Lansing, MI 48933

DO NOT address to "Nationwide" or
"Health Advantage" or "Medicaid".
Our programs have no affiliation w/ those
entities. Claim processing may be delayed.

Remittance Advice (RA):

- ★ RAs are available in paper (via FAX - sent every Thursday morning) and electronic formats, and utilize the HIPAA-compliant national standard claim adjustment group codes to (835 RA) report claim status. If you are interested in receiving an 835RA, please contact Tory Doney at DoneyT@michigan.gov for additional details.

Equipment

Keep equipment properly maintained to avoid the following:

- ★ Dirty print elements with filled character loops.
- ★ Light print or print of different density.
- ★ Breaks or gaps in characters.
- ★ Ink botches or smears in print .
- ★ Worn out ribbons.
- ★ *Dot matrix printers should not be used as they result in frequent misreads by the OCR (Optical Character Reader).*
